14 Para 5 of Government Order No.Fl.2659-60 dated 3rd December 1907, requires this office to submit for the information of Government, a half yearly return of receipts and expenditure relating to the Hossaraghatta and Nadamavinapura Farms and this office has been submitting the same accordingly.

15. But now, it is proposed, in the un-official file that a profit-and-loss statement of accounts relating to the Farms should be submitted to Government by this office in addition to the half yearly statement referred to above. To prepare this additional statement, information as to the market value of land

	land and buildings and the value of implements in stock from time to time etc, is required. But as the profit and loss statement is required for administrative purposes and as this office does not maintain any stock account of the Farms, it would not only be convenient but legitimate if a statement of the above kind is submitted to
(1)	Government through the Comptroller by the Chief Commandant, who is the administrative head of the department concerned. The said statement will be compared with the actual receipts and expenditure as noted in the Comptroller's books and after being duly checked and certified it will be submitted to Government by this office.
	16. In this connection, it has to be observed that it would be convenient for purposes of comparisc

over.

SUBJECT.

4883/47

GPB—50,000—1-12-12

The statements received from the Comptroller in accordance with the above order do not make a distinction between items which are of a 'revenue' nature and those which are of a 'capital' nature, and do not enable one to judge if the farm worked at a profit or not during the period. Further the Comptroller finds it inconvenient to send half yearly statements, while his books are closed only once a year. Government are therefore pleased to direct that

(i) the pro forma statement hitherto sent by the Comptroller once in six months may be sent hereafter once a year; and that

(ii) in addition to it, the Chief Commandant should submit to Government, through the Comptroller, an annual statement in the following form noted in the margin.

Particulars.	Amount.	Particulars.	Amount.
To gross receipts during the year.	.....	1. Interest on capital outlay on lands and buildings at 4%	.....
To Profit or loss	.....	2. Working charges.	.....
